LORNA G. SCHOFIELD, District Judge:

WHEREAS, a pretrial conference in this matter is scheduled for October 5, 2022,

WHEREAS, no significant issues were raised in the parties' proposed case management plan. It is hereby

ORDERED that the October 5, 2022, pretrial conference is **cancelled**. If the parties believe that a conference would nevertheless be useful, they should inform the court immediately so the conference can be reinstated. The case management plan and scheduling order will issue in a separate order. The parties' attention is particularly directed to the provisions for periodic status letters, and the need for a pre-motion letter to avoid cancellation of the final conference and setting of a trial date.

The parties should be aware that the Court does not extend the deadlines for fact and expert discovery absent compelling circumstances.
